RESOLUTION NO. 82, S-2019

A RESOLUTION EXPRESSING SUPPORT TO THE CELEBRATION OF WORLD POLIO DAY ON OCTOBER 24, 2019.

WHEREAS, World Polio Day was established by Rotary International over a decade ago to commemorate the birth of Jonas Salk, who led the first team to develop a vaccine against poliomyelitis;

WHEREAS, use of this inactivated poliovirus vaccine and subsequent widespread use of the oral poliovirus, developed by Albert Sabin, led to the establishment of the Global Polio Eradication Initiative (GPEI) in 1988. As of 2013, GPEI had reduced polio worldwide by 99%;

WHEREAS, Polio is a crippling and potentially fatal infectious disease. There is no cure but there are safe and effective vaccines;

WHEREAS, Polio can be prevented through immunization. Polio vaccine, given multiple times, almost always protects a child for life. The strategy to eradicate polio is therefore based on preventing infection by immunizing every child until transmission stops and the world is polio-free;

WHEREAS, World Polio Day on the 24th of October, is an opportunity to recognize the work of committed WHO staff members, along with the more than 20,000 other unsung heroes working to eradicate polio around the world;

WHEREAS, the Municipality of Lingayen is fully aware of the current health situation involving this illness and is one with the world in achieving a polio free environment and likewise commends health workers who are tirelessly working against this illness;

WHEREFORE, on motion of SBM Mac Dexter G. Malicdem duly seconded, be it:

RESOLVED AS IT IS HEREBY RESOLVED, to express support to the celebration of World Polio Day on October 24, 2019.

RESOLVED FURTHER, that copies of this resolution be furnished the RHU I and RHU II Physician for their information and records.
